

Northeast Indiana Association of Health Underwriters Newsletter

September 2017

President's Message

What a successful 3rd quarter this has been so far. I am proud of this chapter and the representation we had at the State and Region 3 Conventions. Our members are the driving force behind our association. We have one of the best groups of health professionals in the area.

The Annual Golf Outing has taken place or is underway, depending on when you are reading the newsletter. Looks like we are having a record breaking event. Thank you to Dotty Wiggan, Jeff Fabini and the entire team that helped pull this off. The Fort Wayne Rescue Mission will be a benefactor of the event as well as our chapter.

Remember that September's meeting will be held onsite. See www.neiahu.org under events for detailed information.

Looking for a place to watch the Live from NAHU Webinar and receive 1 hr. CE credit? Look no farther than our October meeting being held on 10/12/2017. Register [here](#).

I want to personally invite you to the Summer Wine Social and Membership Recruitment Event being held on the 27th at Byler Lane Winery. RSVP is required so please let Nate Jones know that you will be in attendance either by email or by registering [online](#).

Compliance Corner

The baby boomer generation is rapidly approaching Medicare eligibility age with 10,000 new enrollees every day. But many who are approaching eligibility are increasingly delaying retirement and keeping their existing insurance coverage. Join us on Thursday, September 21, at 1:00 p.m. Eastern for a NAHU member-exclusive Compliance Corner webinar to explore many of these issues in an advanced session on the interaction of Medicare with group insurance. Hosted by The Brokerage Inc. President Mike Smith and Savoy Associates Chief Compliance Officer Joan Fusco, this session will discuss Medicare in relation to:

- Medicare Secondary Payer (MSP)
- When employers can pay for Medicare Supplement or Medicare premiums
- Consolidated Omnibus Budget Reconciliation Act (COBRA) continuation coverage
- Age Discrimination in Employment Act (ADEA) issues
- Health Reimbursement Arrangements (HRAs)
- Health Savings Accounts (HSAs)

The session is limited to 1,000 participants; if you can't make it or it fills up, the session will be recorded and the slides and webinar recording will be [posted online](#).

You can register for the webinar [here](#).
