September 2018

President's Message

Greetings, I trust this finds everyone rested and prepared for the fourth quarter!

Summer is winding down and Fall is soon to be upon us, where does time go? Cool days are coming, boat rides will require jackets, and cottages/ lake homes are being prepped for winter hibernation. All this leads to a busy yet satisfying quarter of professional activity.

Labor Day being the unofficial last weekend of the summer allowed us to prepare for what's ahead. This is the time of year where those in the Senior market don't get a chance to sleep, those in the group market are managing renewals and taking advantage of new opportunities, and if you are in the individual market you are just hoping the carriers stick around for another year so your clients can secure coverage. No matter which market or markets you serve, your service to your clients is needed now more than ever. Remain professional and diligent in your service to your clients and prospects, for we are the face of NAHU on a local level.

With this busy 4th quarter hopefully you will still find time for Health Underwriter activities. We have a 'meet the candidates" at our monthly membership luncheon on the 17th. We will have monthly membership meetings every month through the end of the year.

As always we are here to serve you, the members. Should you have any questions or comments please feel free to share.

Respectfully,

Jeff Fabini
NEIAHU, President
2018-19
